TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF PETERBOROUGH, IN THE COUNTY OF HILLSBOROUGH, IN SAID STATE QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Town House in said Town of Peterborough on Tuesday, the fourteenth of March next at eight of the clock in the forenoon, (Polls close at 1 P.M. unless otherwise voted) to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing, and to vote to see if beano shall be legalized in said Town.

Article 2. To raise and appropriate such sums of money as may be necessary for Town Officers' Salaries, Expenses and Election and Registration, Municipal Court, Town House, Police Department, Fire Department, Civilian Defense, Tree Spraying, Health Department, Town Dump, Vitals, for laying out and repairing of the Highways, Street Lighting, Old Age Assistance and Town Poor, Memorial Day, Adams Playground and Pool, Putnam Park, Cemetery, Town Library, Town Water Charge, Monadnock Region, Town Planning Board, and for any other charge arising within the town.

Article 3. To see what sums of money the Town will vote to raise and appropriate toward paying the Town Debt and Interest.

Article 4. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and to pass any vote relating thereto.

Article 5. To see if the Town will vote to accept legacies and gifts to the Town in trust or otherwise by any individual or individuals.

Article 6. To see if the Town will vote to increase the amount of money placed in the Capital Reserve Fund each year for the future purchase of equipment for the Highway Department, the Police Department, and the Fire Department to be proportioned as previously recommended by the Planning Board, or take any other action relating thereto.

Article 7. To see what sum of money the Town will vote to raise and appropriate and place in a Capital Reserve Fund for the future purchase and installation of chlorinating and purification equipment at the Pool, or take any other action relating thereto.

Article 8. To see if the Town will vote to raise and appropriate the sum of Eleven Hundred Fifty Dollars and Fifty Four Cents ($1,150.54), provided the State gives Seven Thousand Six Hundred Seventy Dollars and Twenty Six Cents ($7,670.26) for the construction of Class IV and V Highways.

Article 9. To see if the Town will vote to authorize the School Board to request the Trustee of Trust Funds to pay to the School Treasurer the income each year from the Adelbert N. Nichols Trust Fund to be credited to the general fund of the School District.

Article 10. To see if the Town will vote to install the following Street Lights:

A. Fourteen 20,000 lumen fluorescent overhead lights on Main Street.

B. Seven 20,000 lumen fluorescent overhead lights on Grove Street.

C. One 20,000 lumen fluorescent overhead light on Lower Grove Street.

D. One 20,000 lumen fluorescent overhead light in West Peterborough.

and raise and appropriate money for the same or take any other action relating thereto.

Article 11. To see if the Town will vote to raise and appropriate an additional sum of One Thousand and Seventy Dollars ($1,070.00) and add same to the regular fire Department appropriation to install a fire escape, modernize the fire alarm system, and paint the exterior of the Fire Station, or take any other action relating thereto.

Article 12. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars ($3,000) to procure a third police officer for the remainder of 1961, or take any other action relating thereto.

Article 13. To see if the Town will vote to raise and appropriate a sum not exceeding Seventeen Thousand Dollars ($17,000.00) for the purpose of making improvements to the following Class V Road within the Town:

Windy Row – From the junction of Spring Road to the Hancock Town Line, such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 241, Laws of 1955 as amended by Laws of 1957 Chapter 273-3 and to authorize the Selectmen to determine the date and place of payment of such bonds or notes, and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interest of the Town.

Article 14. To see what sum of money the Town will vote to raise and appropriate for the re-construction of Prospect Street, or take any other action relating thereto.

Article 15. To see what sum of money the Town will vote to raise and appropriate for the re-construction of Altemont Street in West Peterborough, or take any other action relating thereto.

Article 16. To see if the Town will vote to officially name its new streets, or take any other action relating thereto.

Article 17. To see if the Town will vote to remove the two diseased elm trees in front of the War Memorial, raise and appropriate money for the same, or take any other action relating thereto.

Article 18. To see what sum of money the Town will vote to raise and appropriate to build a permanent semicircle stone seat around the watering trough and complete the pathways in Putnam Park, or take any other action relating thereto.

Article 19. To see if the Town will vote to raise and appropriate a sum of money from the income of the Albert W. Noone Trust Fund to further improve the Skating Rink this year, or take any other action relating thereto.

Article 20. To see if the Town will vote to authorize the Selectmen to purchase a new Police Cruiser and exchange the present one and to withdraw from the Capital Reserve Fund credited to the Police Department such sum of money as may be necessary to pay for same, or take any other action relating thereto.

Article 21. To see if the Town will instruct the Selectmen to purchase a new 4-Wheel Drive Pickup Truck and Snow Plow, dispose of the present 1956 Pickup and Plow, and pay for the same with money now held in the Highway Department Reserve Fund, or take any other action relating thereto.

Article 22. To see if the Town will instruct the Selectmen to purchase a Snow Blower and Tractor Shovel, or take any other action relating thereto.

Article 23. To see if the Town will vote to rescind the motion passed at the March 11th 1957 Town Meeting, empowering the Planning Board to approve or disapprove in its discretion, plans showing new streets, or the widening thereof or parks, and upon its passage to instruct our Town Clerk to file with the Registry of Deeds of Hillsborough County notice that the Peterborough Planning Board is no longer authorized, or take any other action relating thereto.

Article 24. To see if the Town will vote to rescind the motion passed at the March 9th, 1948 Town Meeting to establish a Planning Board of seven members, with duties as set forth in Sections 3 to 15 inclusive of Chapter 53 of the Revised Laws of New Hampshire 1942, or take any other action relating thereto.

Article 25. To see if the Town will vote to empower the Board of Adjustment to hear appeals, and to have all other powers provided for in Revised Statutes Annotated, Chapter 36, that may be given to a Board of Adjustment or Board of Appeals, or take any other action relating thereto.

Article 26. To see if the Town will vote to instruct the Selectmen to create a street in accordance with the description contained in a proposed ordinance, in compliance with the requirements of Revised Statutes Annotated, Chapter 36, Section 25, by the acceptance of that part thereof already in existence, and by laying out and constructing that part not yet in existence. The description herein is the same as the description in the return of a layout of a public highway made by the Selectmen of the Town of Peterborough and filed in the office of the Town Clerk on March 7th, 1960, or take any other action relating thereto.

Article 27. To see what sum of money the Town will vote to raise and appropriate for the construction of a highway on the land conveyed to the Town by Deed of Walter E. Robbins and Elizabeth C. Robbins and recorded Oct. 26, 1960, in Volume 1621, page 304 in the Registry of Deeds for Hillsborough County, or take any other action relating thereto.

Article 28. To see if the Town will vote to authorize the Selectmen to appoint a Board of Adjustment or Board of Appeal consisting of Five Members. One member to be appointed for one year, one for two years, one for three years, one for four years and one for five years, and thereafter appointing authority shall appoint one member for a term of five years, or take any other action relating thereto.

Article 29. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed.

Article 30. To see what sum of money the Town will vote to authorize the Selectmen and the Town Treasurer to borrow in anticipation of collection of taxes for the current Municipal Year, and to issue in the name and on the credit of the Town, negotiable notes therefore, said notes to be paid in the current Municipal Year from taxes collected during the current Municipal Year.

Article 31. To transact any other business that may legally come before this meeting.

Given under our hands and seal this twenty-seventh day of February, in the year of our Lord Nineteen Hundred Sixty One.

REPORT OF BUDGET COMMITTEE – 1961

This has been an educational year for your Budget Committee. We met separately with each department of the town government for other than monetary purposes . . . to give us a better understanding of each department's operations and its relationship to the overall operation of our Town Government. As a result, we are happy to report that the cooperation we received enables us to provide more informed recommendations for you.

During the year, we also met on several occasions with your School Board and Administrative staff. In addition, we inspected the property twice. Once, to view the changes in physical property accomplished over the summer recess and again, recently, to study proposed improvements requested by your School Board. Here we want to take the opportunity to commend both your School Board and the Superintendent for the good planning and sound judgment which they have demonstrated in making necessary improvements in the physical plant some of which could not be wholly anticipated.

Important to all of us is the tax rate which, as you know, is controlled, in large part, by the net taxable property (net valuation), appropriations and Misc. Income. In the last four years our rate of growth of taxable property has averaged 8%/yr. This year the rate of growth of taxable property has slowed considerably . . . to less than 1%. Therefore, any significant increase in expenditures this year will result in a higher tax rate.

In keeping with what we believe to be your desires for town services and education, our studies prompt the following recommendations with regard to Town and School Budgets:

SCHOOL BUDGET

Prior to our first meeting, the School Board reduced their original budget by $500.00. After meeting with your Budget Committee, they agreed: to reduce their basic budget by another $1,472; to finish the "Echo" rooms ($2,070.00) from Current Surplus and to withdraw Capital Improvement items ($1,305.00) from their basic budget – placing them in special articles.

We acknowledge, with appreciation, the School Board's cooperation in separating Capital Improvement items from their basic operating budget. This allows the School District to consider each such item separately.

As a result of these changes, your basic school budget totals $335,234.00 of which $264,491.00 must be raised by

property taxes, the balance being met by tuition payments and other income. Taxwise, this is $3,504.00 less than last year. However, for consideration at the School District meeting there will be an additional $16,000.00 in special articles, which, if approved, will add $12,500.00 to be raised by taxation over last year's total.

Since the growth of our town this year is less than 1%, we feel further reductions must be made. We recommend that the basic operating budget be reduced another $1,055.00 and that special school articles, totaling $9,955.00, not be voted.

On the other hand, your Budget Committee recommendations include an additional $14,814.00 for instruction, teaching aids and school supplies; allows for completion of three (3) necessary additional rooms; adequate additional equipment and maintenance. Further, we urge passage of two special articles. One, providing $5,000.00 for a Retarded Children's program in keeping with possible State legislation. The other, a $1,000.00 matching fund item from Federal Aid for Science.

In summary, we approve of a gross increase of some $23,337.00 in those areas which we consider most beneficial to the education of our children. Such an increase will not affect the tax rate significantly for several reasons: Judicious decisions by our School Administration in the overall operation; a considerable increase in tuition income, and this year the payment on our school building debt is reduced by $5,000.00 ($25,000.00 to $20,000.00) with a corresponding reduction in debt interest ($528.00).

These recommendations allow for an increase of $2,486.00 to be raised by property taxation. This increase is in keeping with our reduced rate of growth. Moreover, we are confident that such a budget will provide essential services.

TOWN BUDGET

Your Budget Committee approves all of the basic budgets presented by your Selectmen with two exceptions: The Capital Reserve and Town House budgets which seem excessive. We recommend that they be held to $10,000.00 and $6,500.00 respectively.

We submit the following further comments on several department budgets and Special Town Articles:

BASIC DEPARTMENT BUDGETS

Police Dept.: The need for 24 hour protection is apparent and should be Peterborough's immediate goal.

LIBRARIAN'S REPORT FOR THE PETERBOROUGH TOWN LIBRARY

To the Trustees of the Peterborough Town Library:

With a rewarding sense of accomplishment concerning the library year of 1960 and with materializing objectives for 1961, we present the annual Librarian's Report:

This year has marked the fourth year in which the Eben Jones' Wing has been in operation. During this time over 26,000 people have utilized the facilities of the reading room, withdrawing over 164,000 books. The Peterborough Library Hall has also been used by many worthy groups: The League of Women Voters, committees serving the town's welfare, Daughters of the American Revolution, astronomy clubs, Red Cross demonstration classes, the University's Home Demonstration Classes, American Association of University Women, and countless others.

In honor and in memory of Mr. Eben Jones, selectman and trustee of the library for 50 years, and in observance of National Library Week, April 3 through 9, the library held Open House on Sunday, April 3. Several special exhibits were scheduled including a one-man show of still lifes and landscapes by one of America's outstanding representational artists, Mr. Sidney Willis of Bennington. During the course of the week approximately 500 visitors had an opportunity to view the various exhibits, books, and paintings.

For the second summer, Mrs. Elizabeth Yates McGreal assisted by Miss Judith Bonnell of Bennington has kindly conducted a Children's Hour at the library once a week. Either before or after the reading hour most of the children climbed upstairs to shelves and card files to take out books for themselves. One special visitor was Miss Jo Ann Stover of Hancock at the time of publication of her first book for children, **If Everybody Did.** Both the book and the author were given a gay and enthusiastic reception. We hope this story hour will become a permanent part of the library's program during the summer as the years pass.

Volumes in library, December, 1959	34,150
Volumes purchased	900
Gift volumes accessioned	500
Volumes withdrawn from circulation	300
Volumes in library, December, 1960	35,250

This has also been the second year in which the members of the Peterborough Historical Society have voted to share with us the income from the Farwell Fund for the purchase of books of a local or historical nature. With this fund we have purchased books such as **Yankee Kingdom** by Ralph N. Hill, **The Spirit of 'Seventy-Six** by H. and R. Holden, and **Franklin Pierce** by

R. Nichols. The Farwell Fund was left to the Peterborough Historical Society in 1928 for the purchase of volumes for the Society's library. It was felt by the Executive Committee of the Society that the benefits would be greater if further purchases made available by this Fund were turned over to the Town Library. For this gift and the confidence which the Society has vested in the library we are indeed grateful.

The ladies of the Cheney-Armstrong Unit No. 5, American Legion Auxiliary have continued their time-honored custom of placing one volume each month upon the shelves of the library. Miss Esther Jackson, Postmaster Martin J. Keenan, Miss Eula Ferguson, Mr. Harry W. Brink, and Mrs. Edward Morrill have also provided us with additional books. Mrs. H. S. Woods has personally subscribed to the **Christian Science Monitor** for the patrons of the library. Our largest inheritance came from Dr. L. Cabot Briggs of Hancock who has thoughtfully given us 12 cartons of valuable volumes.

Miss Elizabeth Abbot Smith presented the library with a book about North America containing this interesting inscription: "In memory of my grandfather, Rev. Samuel Abbot Smith, minister of the First Congregational Parish (Unitarian) in West Cambridge (now Arlington), Massachusetts; and of his grandfather who brought him up, Rev. Abiel Abbot, D.D., minister of the Unitarian Church in Peterborough, and founder of the Peterborough Library, the first free public library to be supported by public taxation in the world."

Periodicals purchased	40
Gift periodicals	10
Paintings—reproductions	98
Pamphlets	421
Picture puzzles	280
Records	167
Periodicals circulated	3,696
Paintings circulated	123
Pamphlets circulated	206
Picture puzzles circulated	67
Records circulated	765
Reading room attendance	6,620
1960 registrations	367
Volumes circulated	41,665

In addition to the regular services of lending books, records, paintings to Peterborough patrons and those of surrounding towns, the library has steadily organized specialized groupings of reading material for various churches, organizations, and specialized interests. The Congregational Church has its reading lists; there is a scholarly collection of books for a Catholic reading group. The boy scouts, girl scouts are well provided with reading material. A recent collection of books and pamphlets has been organized for the interested members of the

Monadnock Council for Retarded Children. Through the cooperation of Mr. Henry F. Villaume books of a highly technical, scientific interest may be borrowed by the library from the New Hampshire Ball Bearings Inc. private library to satisfy the requests of the library's patrons.

During the past year we have added materially to the town's collection of memorial books or memorial funds. Many handsome volumes were presented to the library in memory of Major A. Erland Goyette. A magnificent volume on Russia, titled **The Kremlin**, was presented in memory of Mr. Henry C. Eaton. A perpetual fund in memory of Mrs. Ola Myhaver provides the library with **Horizon**, a hard-cover magazine of the arts whose target is to present a comprehensive view of all the arts of mankind historically and contemporaneously.

For the convenience of the public, rules and regulations pertaining to the use of the Peterborough Library Hall will be included with this report. All requests for the use of the Hall should be made through the Librarian's Office.

The Hall was erected and furnished in order to enlarge the cultural and literary activities of the library. It may be used for the following purposes:

Reading groups, Story hours, Educational movies or slides, Lectures of an educational nature, Fine Art exhibits and discussions, Music appreciation, Discussion groups, Creative craft exhibits and discussions, Special committee meetings for the town or for groups, but not regular meetings of either.

Meetings of any other nature than the above may be held with the consent of the Library Trustees.

All groups must be supervised. No admission fees are to be charged. Light refreshments may be served. Each group is to supervise its own clean-up project. A tariff of $5.00 will be charged to cover lights, heat for any meeting that extends beyond 8:00 P. M., or commences after 8:00 P. M.

Library hours: Monday, 12 to 8; Tuesday, Wednesday, Thursday, Friday, and Saturday, 2 to 8. Books may be renewed with a telephone message. Patrons may withdraw as many books within reason as they would like. The people of Peterborough and visitors are encouraged to take advantage of the various cultural, social, and literary facilities of the library.

Respectfully submitted,

Allan J. Bertrand

Librarian

Grass	2		Total		26
Brush	1				
Chair	1				
Oil stove	1				
Wood stove	1				
Oil burning furnace	2				
Wood burning furnace	1				
Mutual aid	2				
	—				
	26				

Peterborough had two expensive house fires in 1960.

First, the home of Raymond Wheeler on the Greenfield Road, estimate loss $6,500.00, caused by wood heater in living room. This fire had been burning hours before being seen by a motorist who called the department.

Second, the home of Richard Brooks off Bridge Street, also had been burning for hours before being seen and reported by a neighbor. Estimated loss $10,000.00, cause of fire unknown.

I wish to take this opportunity to express my thanks to the Board of Selectmen; Members of the Fire Department; Florence E. Connell, Town Bookkeeper; and the Citizens of Peterborough for the cooperation given me in the performance of my duty as Chief of Fire Department.

Respectfully submitted,

February 20, 1961 THOMAS J. CRAIG, Chief

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed – all because MANY are CARELESS with fire in and near woodland. This can be remedied. You can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First – by setting a good example YOURSELF – being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second – by using YOUR individual influence in your community and valued counsel with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden – the law requires it.
2. Be sure to properly supervise your burning – don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles – make sure they are out – use your ash tray.
5. Don't burn at home – use your town dump and save yourself much possible difficulty, both personal and financial.

No. Local Fires 1.
Acres Burned 1/10.
Permits Issued 176.

WINTHROP H. HANNAFORD
District Chief

THOMAS J. CRAIG
Forest Fire Warden

REPORT OF ADAMS PLAYGROUND COMMITTEE

The Peterborough Playground continues to function on a year round basis with our regular summer program in addition to operating the skating rink during the winter months.

Our playground supervisor was again Mr. Robert Murray from Keene Teachers College. We welcomed the return after a year's absence of Miss Brenda Blomgren to assist Mr. Murray in addition to Miss Cathy Dwire and Susan Ranier. With the return of Miss Carol Brassard the younger fry were never at loss for something interesting and different to take up their time. Under Miss Brassard's fine leadership we were able to continue instruction in camping, tennis, hand crafts, and all around playground games. Her program came to a conclusion with a very interesting carnival which was planned and manned by the younger playground children.

The maintenance department was again under the able direction of Mr. Harold Haywood assisted by Mr. Clayton Dow. In the mornings Mr. Dow supervised the playground activities.

Through the cooperation of two local churches we were able to offer awards for the best all around playground boy and girl. These awards will continue from year to year. The selections were made entirely by the playground staff. The winners this year were Miss Ina Sherblum and Michael Doud. We wish to give thanks to these churches for their fine cooperation.

Our skating activities are again under the direction of Mr. Richard Trufant. Thus far we have been handicapped by the severe snow storms and haven't been able to keep the ice as smooth as other years. We hope the next couple months will be much better.

Our tennis courts proved to be more in demand than ever. We were very pleased with their use by the townspeople. It became necessary to put them on a time limit basis because of the demand for their use. We hope this problem will be solved this coming season with the completion of two more courts, which have been under construction and financed by the Noone Fund.

Major improvements this past season include the re-shingling of the bathhouse roof, again repainting the pool, clearing of more land near the craft house, construction of an out door fire place, and construction of three life guard chairs for the pool. In addition this past season was extended from a nine-week to a ten-week program. We also doubled the lighting on the skating rink which we hope will enable tennis to be played evenings this coming season.

This coming season we hope to have all the seams in the pool re-caulked as the past few years we have been hampered by the loss of water. We would also like to make minor repairs to our filter and chlorinator systems.

At this time the committee feels it is obligated to inform the voters and taxpayers of Peterborough of the general over-all condition of the pool itself. Five years ago we scrapped some old chemical equipment which at one time supplied the pool with chemicals. They had not been used for some time. At the present time and for how long we don't know chemicals are thrown in the pool manually. Four years ago we replaced the pumping system at a cost of around seven hundred dollars. With this exception there has been very little spent on the filter system. We are still using the original chlorinator installed in 1936. In recent years we have had much trouble with this equipment and have had to close the pool several times. With the break down of this equipment it also creates a serious health hazard. At one time or another many members and employees have had their share of "being gassed." Arrangements should be made to consider replacing this equipment. Our filter tanks also are feeling their ages. It is necessary to patch one of the tanks each year because of the rust condition. How much longer we can continue to add plugs to the bottom remains to be seen. We have talked with the selectmen and budget committee concerning this matter hoping we could find some solution. We have had quotations anywhere from eight to fifteen thousand dollars to replace this equipment. We wonder whether such a project could be considered under the Capital Reserve Fund. Many of us do not realize the value of this pool to our town until it will not be available. We believe by minor repairs from year to year we can nurse the present equipment along for a short period. We definitely would like some provisions made now for the future replacement of this equipment. We believe it is the committee's responsibility to have all the voters and taxpayers informed of these problems so a solution can be worked out.

The committee members wish to extend our sincere thanks to our staff, selectmen, chief of police and to all who have contributed to make our recreational program such a success. We feel each year we are offering more and have more equipment available and without the fine cooperation of everyone concerned this could not be possible.

Respectfully submitted,

Lawrence Bishop, Chairman
Harrison Lowe
Roy Gavitt
Faith Lee
Ralph Tilton

HEALTH DEPARTMENT

The fourth or Booster dose of Salk Vaccine was offered the children of Peterborough at the school auditorium on April 19, 1960, with Doctor Mahlon Mason and Doctor Margaret Reynolds in attendance. Four hundred and seven children were given their requisite inoculations and eighteen pre-schools were given smallpox vaccination prior to entering school.

Miss Gladys Newhall, R. N. and Mrs. Marie Fahey, R. N. assisted the physicians at the clinic table.

Mrs. Charlotte Derby, Red Cross was chairman at the clinic and her workers were Mrs. Dorothy Harris, Mrs. Thelma Clark, Mrs. Diane Smith, Mrs. Marjory Cherwin and Mrs. Mary Woodbury.

The teaching personnel monitored the children as they attended the clinic.

Immunization material and sterile equipment was furnished by the State Department, Public Health Nursing Division.

Three evening Salk Vaccine Clinics were held at the Town House on April 19th, June 7th, the first two inoculations and December 6th the third inoculation. Dr. M. Mason, Dr. E. B. Twitchell and Dr. T. Lee serviced these clinics and D. Harris, M. Cherwin, G. Newhall and M. Fahey assisted them. Mrs. C. Derby and T. Clark were clerical workers.

MARIE FAHEY, R. N. State Nurse

PLANNING BOARD REPORT

The Planning Board was established at the Town Meeting of 1947, to be composed of seven members, one of which shall be a member of the Board of Selectmen. The duties were set forth in Section 3 to 15 inclusive, Chapter 53 of the Revised Laws of New Hampshire, 1942, to make a study of the Town's Development, and in general to promote the development of the community. The Planning Board has been charged, by a vote of the Town, to make recommendations for the improvement, construction and reconstruction of our streets and roads.

We recommend the adoption of the two-year accelerated plan on Class V reconstruction. To include 1) Windy Row to Hancock Line 2) Sand Hill Road from Concord Street to Rochford's Corner.

We recommend that the Selectmen, through the Town's representatives in the Legislature, have Route No. 123 from Wilson Corner to North Peterborough Bridge taken over by the State. We understand that this will require an act of the Legislature.

We recommend that at least one of our town roads be reconstructed each year. We have the following roads that are in need of reconstruction at this time: Vale Street, Laurel Street, Elm Street, Upper Pine Street, Prospect Street and Altemont Street, West Peterborough.

We expect the State to demand that we adopt measures on water pollution of our rivers. This will require an extensive study before our citizens vote to adopt any plan. The Planning Board has placed water pollution on its agenda.

Fluorination of our public water system is another item that will require extensive study before adoption. We have also placed this item on our Agenda.

We recommend that the two condemned Dutch Elm diseased trees in front of the War Memorial be removed this year.

Land Subdivision:

We have just completed a public hearing, Feb. 17, 1961, on the so-called Lobacki-Reynolds land development and have approved it as of that date. Final corrections are being made on the Blue Prints Plats. These maps are now in the process of correction and the corrected map will be filed with the Register of Deeds for Hillsborough County.

We recommend the final construction of the street known as Maple Avenue in the Robbins Development area, over that section of land owned by the Town and deeded by warranty to the Town by Walter E. and Elizabeth C.

Robbins and recorded Oct. 26, 1960, in Volume 1621, Page 304, Deeds Office for Hillsborough County.

We expect to continue in a most cooperative way to bring about a final approval of land subdivision areas that are now before us or any that may come before us in the future. Hearings for this purpose are in the process of being held.

We are now in the process of having the official map of the Town brought up to date. We have employed William Falconer, Surveyor of Milford, N. H. We expect this project brought up to date before the end of the year.

We believe that a further study of our capital reserve system of appropriating money should be made and a report made to the Town at the next annual Town Meeting. The purpose of capital reserve funds statute is to enable towns to use surplus money and annual appropriations for a specific capital improvement at a future date. Such proposal of a capital reserve fund for renewing capital outlay at the Swimming Pool should be postponed this year until a specific study is made.

Water extensions to serve any specific purpose should be given further study before being adopted this year.

In order for your Planning Board to bring about a fair solution to the many problems now before the Town, we desire to have the cooperation of all the Town and school officials, boards, and committees to help to make Peterborough a good town to live in.

Peterborough Planning Board:
Martin J. Keenan
Kenneth A. Brighton
Paul C. Cummings, Jr.
Erle G. Bishop
Richard H. Cherwin
Clyde H. Hopkins

REPORT of the SPECIAL PUTNAM PARK ASSOCIATES

On April first a Special Putnam Park Committee will have served four years in rehabilitating the Park and restoring its beauty.

During these four years much has been accomplished with the funds contributed by 144 local residents, 15 non-residents and 11 organizations. From this substantial group of interested citizens $4,800.00 has been given in money, and in addition to this more than $1,500.00 has been given in loam, gravel, pea-stone, shrubs, trucking and labor.

The following has been done:

A plan prepared by a landscape architect was adopted as a base of the lay-out and planting of the Park.

A rustic fence has been erected on the south boundary.

A granite wall, in keeping with the granite bridge, has been built on the street boundary or entrance side of the Park, with a suitable bronze marker in memory of Carlton A. Wheeler who was instrumental in starting this movement.

The Park has been roto-tilled, loam and fertilizer spread, and grass seed planted, so that we now have a respectable looking lawn. Paths, the basic design of the landscaping, have been laid out, and need only more gravel and a permanent edging to be completed.

The river-bank has been cleared and trees trimmed in order to open a better view of Nubanusit Falls. Some dead trees have been removed at the west boundary, and more of this should be done to clear up old debris of long standing.

The D.A.R. Stone Marker has been relocated at the entrance to the Park.

The McGilvary watering trough was moved from Main Street by the Town, and converted by us into a fountain. Now this handsome marble bowl, a special feature of the Park, stands in a graveled area, surrounded by flowering shrubs, and needs only a circular stone seat to complete the architectural design of the Park.

The two first benches, contributed by a local club, are on order, and will be placed in the Park in the spring.

The Committee would like to thank the many who have made contributions in any way, especially Martin J. Keenan who supervises all the work and has given many hours of his time to make Putnam Park a place of which Peterborough can be proud.

Ruth N. Wright, Chairman

Note: "Nubanusit Terrace", between the post office and the river, is now a part of the Park. It was bought and developed by interested citizens before being given to the Town, and is an invaluable asset to the community.

(*Continued from page 15*)

Adams Playground: The Filter-Chlorinator at the Pool will undoubtedly require replacement within the next few years. We recommend the establishment of a capital reserve fund for this purpose not to exceed $2,500 per year. It would be hoped that continued cooperation between the Playground and Recreation Committees will result in future use of Noone fund income aiding capital expenditures in this area.

Putnam Park: This year's budget covers both maintenance and improvements. Future requests, we are told, will be limited to maintenance which will mean a smaller budget.

Monadnock Region Association: While we approve this budget this year, (determined at one/hundredth of 1% of net valuation), we believe that future requests should reflect correction of discrepancies due to varying methods of property assessment by the participating towns.

Planning Board: We feel that there is a great need for an up-to-date town map and look forward to its completion this year.

SPECIAL TOWN ARTICLES

Fire Department: We heartily recommend the building of a fire escape, the rebuilding of the fire whistle and the necessary painting of the fire house. However, barring unusual emergencies, we believe, these items can come from the department's basic budget.

Street Lights: We believe the proposed change in street lighting requires further study. We suggest that it be referred to the Planning Board for a report to the town in 1962.

Putnam Park: The Park Committee, together with many individuals, deserve great credit for their contributions of time and money in beautifying Putnam Park. Their efforts are of benefit to all. However, we believe the special article for $1,000.00, which includes a stone seat, should be postponed in an effort to help minimize the tax rate this year.

Snow Blower: We do not approve of an expenditure of $22,000.00 for a snow blower. This seems excessive considering the Highway Department's excellent job of snow removal with its present equipment during this unusually severe winter.

Robbins Road: We recommend that the Planning Board make an exception to the Land Sub-Division Act in accepting Maple Ave. as a dead-end road. Under that condition, we approve a $1,500.00 expenditure for same.

Water Extension: While we recognize the need to provide adequate water service to all, we do not approve the proposed expenditure of $20,000.00 at this time. Rather, we strongly recommend referring this matter to the Planning Board for further study with the suggestion that the development and growth of South Peterborough be considered.

Altemont & Prospect Streets: We approve the rebuilding of these streets at a cost of $5,500.00.

To summarize, we approve of a Basic Town Budget of $225,827.00, which is only $6,000.00 less than requested by the Selectmen. However, of equal importance to you are the Special Articles. Here, we approve of only $9,500.00 of the $37,636.00 requested.

We recommend, therefore, a total appropriation for Town Government of $235,327.00 ($225,827.00 and $9,500.00). This is $1,000.00 less than last year. It is in keeping with our decreased rate of growth and will provide essential service.

Without exception, there is merit to every basic budget request as well as the proposed special articles covered here. This reflects credit on those persons participating in the various departments of town and school operations. However, your Budget Committee cannot overemphasize the fact that our taxable property increase this year is expected to be insignificant. Therefore, we urge you to carefully consider both the basic budgets and the special articles.

If your Budget Committee's recommendations are followed on both Town and School Budgets, your tax rate will not change appreciably and may be reduced, depending to a large extent upon the county tax.

Respectfully submimtted,

Edward J. Lobacki, Chairman
Kenneth McPartland
Ashford W. Peters
David W. Ashton
Arthur T. Mann
Douglas Hatfield, Sr.

PART I. ADMINISTRATION AND ORGANIZATION

A. Officers of the School District

Moderator
Maurice M. Blodgett

Clerk
Helen A. Keenan

School Board

Kenneth E. Whiton	Term expires 1961
Mark G. Wheeler	Term expires 1962
Margaret H. Clement	Term expires 1963

Treasurer
Robert W. Derby

Auditors
State Tax Commission

Superintendent of Schools
Lewis F. Foote

Helping Teacher
Ronald P. Scott

Truant Officer
Albert J. Picard

School Nurse
Gladys E. Newhall, R.N.

School Physician
Mahlon R. Mason, M.D.

B. Peterborough No-School Signal

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the signal 22 on the fire alarm system at 7:15 A. M., and by having it announced over radio station WBZ and WKNE at the same time approximately. When the No-School Signal is given it means that there will be no school in all grades all day.

Parents and pupils are urged to depend upon the fire signal, TV., or radio for no-school notices. The local telephone operators are no longer able to assist in giving no-school information.

C. Calendar

1961		
April	21	Schools close—Spring Vacation
May	1	Schools reopen
May	30	Schools closed—Memorial Day
June	16	Schools close (Unless time lost)—Summer Vacation
Sept.	6	Schools open
Oct.	20	Schools closed—Teachers' Convention
Nov.	23–24	Schools closed—Thanksgiving Recess
Dec.	20	Schools close—Christmas vacation
1962		
Jan.	2	Schools reopen
Feb.	16	Schools close—Winter Vacation
	26	Schools reopen

D. Report of District Clerk

Record of the Proceedings:

At a meeting of the inhabitants of the School District of the Town of Peterborough qualified to vote in District affairs, holden at the Town House in said District on Tuesday the 8th day of March, 1960, at 8:00 o'clock in the forenoon.

The Moderator, Maurice M. Blodgett, presided and called the meeting to order, and proceeded with the business as follows:

After the reading of the Warrant, the Moderator named Socrates Kereazis acting Clerk of the Meeting because the regular Clerk, who was ill, could not attend.

Under Article 1, a motion was presented by Mrs. Everett Clement that the polls close at 1:00 P. M. and that at 7:00 P. M. Articles 5-13 of the Warrant be taken up.

At 8:35 o'clock, the Moderator called the meeting to order and, under Article 5, the following motion, presented by the School Board, was passed:

Moved: that the salaries of the district officers for the ensuing year be as follows: each school board member $50.00, treasurer $75.00, clerk $10.00, moderator $10.00, each ballot clerk $5.00.

Article 6: Motion was made and passed that the reports be accepted as printed and placed on file with the clerk.

Under Article 7, the following motions were presented by the School Board and passed without discussion:

Moved: that the district petition the State Tax Commission to have an audit made by the Division of Municipal Accounting.

Moved: that the Central School Building Committee be continued. Under Article 8, Mrs. Clement, of the School Board, presented and explained the following motion:

Moved: that the school district raise and appropriate $323,975.23 and to authorize and direct the school board to apply against said appropriation such income as is estimated by the school board exclusive of state aid, and upon the determination of the amount of state aid to be received by the school district during the next fiscal year, to authorize and direct the school board to apply against such appropriation the sum to be received from state aid and with the school district clerk certify to the selectmen the balance as an assessment to be raised by the Town for school purposes.

Mr. Kenneth Whiton, of the School Board, explained the pay system. Superintendent of Schools, Lewis F. Foote, talked about the Merit System explaining why it does not work. No further discussion and the motion passed.

Under Article 9, the following motion, presented by the School Board was passed:

Moved: that the district raise and appropriate the sum of $1,000.00 as a deficiency appropriation to be made available for current expenses prior to June 30, 1960.

Article 10: The following motion was presented by the School Board: Moved: that the School Board be authorized to make application for and to accept on behalf of the district such sums of monies as may be made available under the National Defense Education Act, Public Law 85-864 (for purposes outlined under

Titles III, V, and VIII thereof), and that the district appropriate the sum of $2,000.00 for said purpose(s), $1,000.00 of which amount shall be raised as an assessment by the town, and a like amount to be received from federal sources. After an explanation by Mr. Kenneth Whiton of the School Board, the motion passed.

Under Article 11, the following motion was presented by the School Board: Moved: that the district raise and appropriate the sum of $2,200.00 for the purchase of bleacher units for the auditorium-gymnasium. After an explanation by Mr. Mark Wheeler of the School Board, an amendment to the above motion was presented changing the sum of $2,200.00 to $550.00, for the purchase of one bleacher unit. Motion was passed as amended.

Under Article 12, the following motion was presented by the School Board:

Moved: that the district raise and appropriate the sum of $500.00 for the purchase and installation of a gym-divider in the gymnasium. Mr. Mark Wheeler explained this motion and it passed.

Article 13: The following motion was presented by the School Board: Moved: that the district raise and appropriate the sum of $375.00 for the purchase and installation of a folding gate at the entrance to the corridor of the elementary wing. After an explanation by Mr. Kenneth Whiton of the School Board, the motion passed.

A motion was made and passed that the School Board be instructed to consider changing the day and place of school district meeting to a day other than Town Meeting.

Mr. Everett Clement presented the following motion:

Moved: that the members of the School District convey to Mrs. Keenan their regrets that she was unable to be present at the School Meeting and their sympathetic wishes for a speedy recovery from her illness. Motion passed unanimously.

Result of the Voting for School District Officers:

For Moderator, Maurice M. Blodgett, 837 votes.
For District Clerk, Helen A. Keenan, 834 votes.
For District Treasurer, Robert W. Derby, 848 votes.
For Member of the School Board for three years, Margaret Clement, 767 votes. And they were declared elected by the Moderator.

The meeting was adjourned at 10:00 P. M.

SOCRATES W. KEREAZIS
District Clerk, Pro Tem

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Peterborough qualified to vote in the district affairs:

You are hereby notified to meet at the Peterborough Consolidated School in said district on the 8th day of March, 1961 at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.

6. To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors, and Committees in relation to any subjects embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see what sum the district will raise and appropriate for the purposes outlined under Titles III, V, or VIII, or any combination thereof, of the National Defense Education Act, Public Law 85-864, and to authorize the School Board to make application for, to accept on behalf of the district, and to apply against this appropriation any or all grants or other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.

10. To see what sum of money the district will vote to raise and appropriate for the purchase of bleacher units for the auditorium-gymnasium.

11. To see if the district will vote to purchase and install new science laboratory benches, and to appropriate the sum of $4,000.00 for said purpose(s), $2,000.00 to be raised as an assessment by the town and a like amount to be received under Title III of the N.D.E.A.

12. To see if the district will vote to raise and appropriate a sum not to exceed $5,000.00 for the establishing and operating of a program for retarded children, the use of such funds to be dependent upon receipt of sufficient funds from tuitions and state sources to make the project seem financially feasible in the opinion of the school board.

13. To see if the district will authorize the school board to request annually the Trustees of Trust Funds to pay over to the Treasurer of the School District such funds as have become available from the Adelbert M. Nichols Trust Fund as of December 31st of the prior calendar year, such funds to be appropriated to the general fund of the school district.

14. To see if the district will vote to raise and appropriate the sum of $555.00 for the purchase of risers and chairs for use of music groups.

15. To see if the district will vote to raise and appropriate the sum of $750.00 to set up and equip an area for maintenance use.

16. To see if the district will authorize the school board to place any unanticipated income received during 1960-61 into the general fund.

17. To see if the district will vote to raise and appropriate the sum of $5,000.00 as a Capital Reserve Fund for future additions and/or renovations to the school building, such monies to be placed in the hands of the Trustees of Trust Funds of the Town of Peterborough.

Given under our hands at said Peterborough this 21st day of February, 1961.

KENNETH E. WHITON
MARK G. WHEELER
MARGARET H. CLEMENT
School Board

PART II. INSTRUCTION

A. INSTRUCTIONAL STAFF AS OF DECEMBER 31, 1960
PETERBOROUGH CONSOLIDATED SCHOOL

Teacher	Postion	Degree & Training	Experience	Salary

Picchi, Fosco J.	Art Supervisor	B.F.S., '59, Mass. College of Art; M.F.A., '60, Cranbrook Academy	0	1,920

School opened in September, 1960, with the following new staff members: William E. Beane, English; Carolyn W. Brown, Grade 2; Mrs. Elinor Cenedella, English; David Googins, English 7-8; Joseph H. Hinkle, Guidance; Reginald LaCasse, Social Studies; Raymond P. Richard, Social Studies; Dorothy L. Somero, Grade 1, and Fosco J. Picchi as art supervisor. Due to the death of Mr. Sherburne Buckler, Mr. John Clark was hired as principal and began his duties November 28, 1960.

B. School Program

1. Report of the Elementary School Principal

The aims of your school have not changed greatly during the year, but we do hope that we are helping your children to become increasingly competent to meet and deal with the problems of growing up and to be constructive participating members of our society.

The teaching staff in the elementary school had but two changes during the summer vacation. We were happy to welcome Mrs. Dorothy Somero to our school, and she is teaching one division of our first grade. Mrs. Carolyn Brown was hired to teach in our second grade and is a fine addition to our already competent staff of elementary teachers.

The use of educational television has been very helpful in our elementary science and social studies programs during the year. The programs should and are preparing the elementary students for the junior high school.

During the 1959-60 school year handbooks or guides for the primary grades' reading program were completed. Language Arts programs for the upper elementary grades were evaluated and a guide was developed covering the objectives and skills to be taught at each grade level. These guides were developed as cooperative teacher projects and are a big step forward in improving the quality of our instruction.

A new reporting system to parents has been put into effect. The student report card now carries a five-step evaluation of the pupils.

Parent-teacher conferences for the first grade students have been initiated to give the parents a personal evaluation of their children's work. We have found parents very cooperative and plan each year to meet with them, rather than use the report card method during the first half-year of the first grade.

Last spring we were very fortunate in having a Phonics Conference with Mr. and Mrs. Walter Spalding, authorities and writers in the field of phonics. This type of conference certainly was beneficial and is the type of in-service professional activity that teachers appreciate.

Again this year our sixth grade spent a week at Sargent Camp. To teach science and social studies in the field, and where you have the natural environment, is matchless for both teacher and pupil.

During the summer a few of our elementary students had an opportunity to be at Crotched Mountain for speech help. This,

again, is a tribute to the community and its high respect for education.

In concluding my report, I wish to thank parents for their continued and loyal support for their school. I want also to thank the many people who have given of their time and energy to make our school one of which we are all proud.

RUEL J. HALL

2. Report of the High School Principal

It is with pleasure that I submit my first annual report as Principal of Peterborough Consolidated School.

My return to Peterborough has brought to my attention the many changes in the school system itself. The physical plant is a credit to the community and should be a source of pride to the citizens of Peterborough. The school enrollment has reached such a stage that it requires more teachers, more equipment and more supervision.

The above changes mean that we have to increase our responsibilities, think and plan on a larger scale, and look for even more expansion in the future. To insure that the above aims are carried out in full measure, I know that the people of Peterborough will meet their obligations as they have in the past, with understanding of the problems and pride in their part of the solutions.

The teaching staff and the supervisory group have been extremely helpful and cooperative since my arrival. It is our belief that our school should be geared to give every pupil of secondary age, six years of educational experience according to his ability, and that the school must within its jurisdiction, adjust its program to fit the needs, potential, and interest of each individual pupil.

To realize the above there is need for improvement in the social studies curriculum. The addition of sociology and problems in democracy would attract students who are not college bound but who would find a definite challenge in these types of courses as a foundation for future citizenship.

At present with the great demand for science and math preparation, we find that the teachers of these courses are carrying teaching loads well above the state average. We must constantly work toward smaller classes so that these teachers especially may find it possible to give more personal attention to individual needs.

The self-evaluation of the curriculum and educational program of Peterborough Consolidated School which had to be postponed due to the unfortunate death of Mr. Sherburne

Buckler will be reorganized and presented by a committee of the New England Association of Colleges and Secondary Schools, on April 18th, 19th and 20th of this year. We hope that this evaluation will substantiate our philosophy and aims and bring to light suggestions for further improvement in our school.

When it appeared that funds were available for partial remodeling of the "Echo" room and the creation of three more classrooms, our first concern was to create a third division of the eighth grade under the guidance of Mrs. Ruth Peirce. Included in this new division were the students who needed individual help in some phases of Junior High work so that the transition to the Freshman year could be made more effective next September. It is encouraging to note that the results of the experiment have exceeded our expectations.

This last half year in the Guidance field has been an interesting and active one. At times the office has resembled a three ring circus, at others it resembled a housewife's nightmare of spring cleaning in the attic as we have tried new combinations of office arrangement and filing procedure. Nevertheless the office has functioned smoothly and the services provided have reached a new high. Faculty participation and cooperation have been outstanding with the result that our young people feel a greater degree of confidence in the services and use them more freely than in the past.

The increased use of the Guidance services has enabled the school not only to offer more help to a greater number of students but also to learn what students, and their parents, feel are the problem areas in their academic careers. Consequently, students can be helped to solve their problems—they are happier at school and at home.

Statistically, the guidance office handles between 35 and 50 interviews per week with an average interview time of 45 minutes. Tests of various kinds are administered at an average of 3 per week.

Parents are always especially welcome in the guidance office to discuss school work adjustment problems, or plans for the future. Your children come in often.

During the last year our baseball team won the Monadnock League Championship and took part in the state baseball tournament.

Our soccer team has enjoyed the honor of reaching the State Tournament three years running and also placed second in the Monadnock League.

A special gymnastic class of boys has been formed to meet the advanced skills of our boys working on gymnastic apparatus. This group meets on their own free time to practice stunts.

They have performed during halftimes of basketball games and at special assemblies at the school.

For the first time P.C.S. is attempting to form teams in the carry-over sports, namely, skiing and golf. Many thanks to those people in town who have assisted with the instruction and supplying of facilities. It is the first co-educational group of its kind here at the High School.

For the first time in recent years P.C.S. fielded a cross country team and the results were very gratifying. The boys did very well in the state meet at U.N.H.

This year the girls' physical education program added field hockey to its fall program.

The Girls' Athletic Association has had two outings to date; one in October climbing Pack Monadnock, the other in February to Leda Lanes for bowling. The girls hope to take a trip to the Ice Follies, and perhaps one more trip bowling.

The girls' interscholastic activities this year include basketball and softball. The basketball teams played an eight game schedule, December through the beginning of February. The softball team will play a four or five game schedule.

A major undertaking of the English department during this year is the revision of the curriculum in the language arts. Regular meetings of the three English faculty members are devoted to this long-range project.

Briefly stated, the aims are:

1. To reorganize and revitalize the English curriculum in order better to meet the changing and varied needs of the children of our own community. (Special emphasis is given to the reading program.)
2. To develop an integrated four-year curriculum which will provide for increased continuity in subject matter and steady achievement from the freshman through the senior years.

I share with all of you the great loss in the death of Sherburne Buckler who was a personal friend and a fine educational leader. It is my sincere hope that the pupils, teachers and administrators can continue the high standards that were set by Mr. Buckler.

I wish to thank the people of Peterborough for their consideration, faith in, and hope for the future of our school.

JOHN R. CLARK
Principal

3. Report of the Supervisory Staff

As indicated by the reports of Mr. Clark and Mr. Hall our school is enjoying a good year. This is true in spite of the sudden death of Mr. Buckler which was followed by a period of indecision and readjustment. We were indeed fortunate to secure the services of Mr. Clark, an experienced and proven schoolman, and a previous teacher in our system. Through the concerted and dedicated interest of the entire staff, Mr. Clark has been able to carry forward much of the program envisioned by Mr. Buckler, with particular attention to the Code of Conduct adopted by the school board prior to the opening of school last fall.

Briefly stated the Code states that each and every student is expected to maintain a cheerful obedience to such regulations as may become necessary to guarantee an effective school program. The Code covers such areas as Attendance and Tardiness, Use of Tobacco and Liquor, Scholastic Achievement, Proper Attire, Student Automobiles, and Discipline. I am happy to report that, although in certain cases conformity is not gladly forthcoming, in general the Code has secured an improved spirit and higher morale in the student body.

In our report of last year we stated that considerable attention was being given to ability grouping and pupil acceleration. We are still giving maximum attention to these areas, and no small part of the success of the program rests with the guidance personnel. Federal funds have been made available on a matching basis for an office secretary in the guidance area, and the efficiency of that department has increased perceptibly.

As mentioned in Mr. Clark's report, the need to relieve an overload in the eighth grade warranted the partitioning of the east side of the "Echo Room," which project not only proivded additional space to meet the grade 8 problem, but also created rooms which will be of use to the high school in the near future. At the moment every available area is in use, and if the need were to arise to split an English class, for example, it is doubtful if a room could have been made available. The new area will make such possible, and also provide additional teaching stations as we gradually expand.

Although no startling expansion is in the offing, we anticipate that our present high school enrollment of 277 (grades 9-12) will show a gradual increase in the next three years, not so much through an increased number of tuition pupils, but rather an increase in our local numbers. This fall we should add two teachers,—one in the joint area of mathematics and science, and a second in the field of developmental and remedial reading. As more and more of our young people are entering and con-

tinuing their high school education, the need is more demanding to provide additional and formal instruction in the reading skills. As our proposed budget provides for but one additional teacher, the final decision will be postponed until pupil loads for 1961-62 are more definite.

We would like to make mention of the development of a phonics teacher's handbook and a language arts guide, the former the result of intensive study on the part of the primary teachers, and the latter guide the work of the intermediate-grade teachers. The teachers feel that both publications are of value in the continuity of teaching skills.

We further feel that in our numerous conferences with individual teachers and groups of teachers, at the elementary and secondary level, the teachers have developed and are implementing a sound educational philosophy and that they are interpreting that philosophy in terms of teaching methods necessary to meet the particular needs of the students and their community. Tailoring instruction to the inherent differences of class, group, and individual needs is an essential part of effective education today. Even though such teaching might imply the need for additional books and other instructional tools, we feel that our teachers deserve credit for adjusting and adapting their teaching to fit the individual and course needs with the materials at hand. We appreciate such an attitude on the part of our staff, for in most situations such an attitude would not be present.

LEWIS F. FOOTE, Superintendent of Schools

RONALD P. SCOTT, Helping Teacher

PART III. SCHOOL PLANT

A. Repairs

The summer repair and maintenance program was effectively carried out by our custodial staff. In addition to cleaning walls, floors, and furniture, six classrooms were redecorated. Work areas, including counters and bookcases, were installed in the elementary principal's office and in the teachers' room.

The science laboratory table authorized for the junior high school area was installed and service connections made by the custodians. A second exit was cut into one of our larger high school rooms to relieve an overcrowded situation in stair areas and corridors.

To date the custodial staff has not had time to install the ventilators in the elementary section. The problems incidental to installation have been solved, and with the advent of milder weather, a start will be made and the work finally completed after the close of the school year.

B. Insurance

Fire & Extended Coverage on Peterborough Consolidated School and Contents	$490,000 00
Boiler Insurance, Property & Liability on Peterborough Consolidated School	50,000 00
Owners' & Tenants' Liability, including teachers	
each person	100,000 00
each accident	300,000 00
Workmen's Compensation & Employers' Liability	25,000 00

F. State Auditors' Report

REPORT OF AN EXAMINATION AND AUDIT OF THE ACCOUNTS OF THE PETERBOROUGH SCHOOL DISTRICT, for the fiscal year ended June 30, 1960, made by The Division of Municipal Accounting, STATE TAX COMMISSION, July 20 and 21, 1960.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

Summary of Findings and Recommendations

August 11, 1960

The School Board
Peterborough School District
Peterborough, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Peterborough School District for the fiscal year ended June 30, 1960, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the School Board and School District Treasurer.

Financial Statements

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1959 and June 30, 1960, are presented in Exhibit A. As indicated therein the Net Debt decreased by $23,210.88 during the fiscal year ended June 30, 1960.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures- Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1960, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net overdraft of appropriations of $2,737.68, plus a revenue deficit of $780.60, resulted in a net budget deficit of $3,518.28.

Summary Statement of Receipts and Expenditures: (Exhibit E-1)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1960, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1960, is indicated in Exhibit E-2.

Statement of Bonded Debt: (Exhibit G)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1960, showing annual debt service requirements, is contained in Exhibit H.

GENERAL COMMENTS

Current Surplus:

It is noted that during the fiscal year ended June 30, 1960, the current surplus (excess of total assets over current liabilities) of the School District decreased from $1,931.56 to $142.44 as indicated herewith:

	June 30, 1959	June 30, 1960
Total Assets	$2,749 95	$4,045 52
Current Liabilities	818 39	3,903 08
Current Surplus	$1,931 56	$142 44

Pre-payment of 1960-61 School Tax: (Exhibit H)

Exhibit H presents a statement of the School Tax account with the Town of Peterborough. As indicated therein, as of June 30, 1960, a pre-payment on account of the 1960-61 School Tax in the amount of $2,095.00 had been made by the Town to the School District. This represented a deficiency appropriation of $1,000.00 and an advance on account of the 1960-61 School Tax of $1,095.00.

Therefore the amount of the 1960-61 School Tax which the District will receive during the fiscal year ended June 30, 1961, will be reduced by $2,095.00.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Peterborough School District for their assistance during the course of the audit.

Yours very truly,
HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor
Hugh J. Cassidy, Accountant

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

August 11, 1960

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Peterborough School District for the fiscal year ended June 30, 1960, and found them to be in good order.

In our opinion, the Exhibits included herewith reflect the true financial condition of the School District as of June 30, 1960, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor
Hugh J. Cassidy, Accountant

PART V. CHILD ACCOUNTING

A. Graduations from High School

Fifty-nine students, as compared with fifty-seven in 1959 and forty-nine in 1958, were graduated from Peterborough High School in June, 1960.

Following is a list of the graduates:

Robert Abbott, Doris Babneau, Carol Baker, Thomas Baker, Judith Barber, Maurice Belmore, Howard Bible, Linda Blanchard, Judith Bonnell, Ronald Bowman, William Buckler, John Burke, Sandra Buxton, Polly Carll, Diane Carpenter, David Church, William Cleary, Lloyd Cochran, Richard Craig, John Crowell, Deanna Edmunds, Richard Edwards, Gwenne Estona, John Fortin, John Glazier, James Grant, Katharine Haas, Edith Hammond, Susan Hatfield, Jeannine Howard, Richard Jordan, Leonard Korpi, Robert Kotin, Frances Laferriere, Judith Latti, Terence Lowe, M. Theodora Mackey, James McDonald, Robert Nay, Marjorie Nichols, Erma Paige, Janice Quinn, Katherine Raisanen, Robert Richardson, Gregory Robinson, Clorinda Rossi, Robert Russell, Virginia Sampson, Susan Sargent, Toni Silegy, Jane Stewart, Peter Stromgren, Ronald Tansey, Kathleen Vadney, Bruce Vanni, Ernest Vose, Rexford Watson, Bonnie Wheeler, and Joyce Yelland.

What do Peterborough High School graduates do after graduation:

The following is an indication:

Four-year college	47.5%
Post-secondary schools other than four-year college	11.8%
Employed	16.9%
Armed Services	16.9%
Unemployed	1.8%
Married	5.1%

B. Statistics for the Year Ending June 30, 1960

	High	Elem.	Total

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. Health

The year of 1960 has come to a close and the different forecasts for the rest of the decade are for marked changes in all lines of endeavor. As we approach this new decade, I feel that it would be appropriate to look back and evaluate what has been accomplished in the field of health.

As you probably know, 1960 was the year of the Golden Anniversary of The White House Conferences on Children and Youth. I think that this is an opportune time to recap the highlights of the past conferences in regards to their effects on school health education.

Naturally, with the first conference there is a little history. James E. West, a young lawyer who had been raised in an orphanage, originated the idea that led to the First White House Conference in the year of 1909. From this first conference, problems of dependent children were discussed and subsequent gatherings have broadened the scope to encompass all factors impinging upon the health and development of children and youth.

The second conference was held in 1919 under the direction of President Woodrow Wilson and the theme was "The White House Conference on Child Welfare Standards." In summarizing the general proceedings of that conference the following health statement was formulated:

. . . the most conspicuous single attempt yet made to state what contemporary civilization has learned concerning the welfare of childhood. . . . "certain irreducible minimum standards" for the health, education, and work of the American child.

The Third White House Conference on Children and Youth was held in November of 1930 under the direction of President Herbert Hoover. From this conference came one of the most comprehensive statements of child needs ever assembled in one set of documents. The Children's Charter contained direct reference to the importance of health education with the statement: "For every child from birth through adolescence, promotion of health, including health instruction and a health program, wholesome physical and mental recreation, with teachers and leaders adequately trained" as "Every activity in the school program has its health implications."

A school health service is an essential part of every school organization. In this service, parents, teachers, school authorities, and health specialists should join forces in devising a unified program that will assure the full safeguards of immunuzation, the early detection and exclusion of contagious cases, the discovery and correction of remediable defects of body and mind in all the children regardless of their economic status.

The Fourth White House Conference on Children was held in 1940 under the Presidency of Franklin D. Roosevelt and its purpose was, "To determine ways children in a democracy can best be helped to grow into the kind of citizens who will know how to preserve and protect democracy."

December of 1946 produced The Fifth White House Conference on Children and Youth. Accordingly
"the purpose of the conference shall be to consider how we can develop in children the mental, emotional, and spiritual qualities essential to individual happiness and to responsible citizenship and what physical, economic, and social conditions are deemed necessary to this development."

Of course, the 1960 conference was held the last of March of this past year under the direction of President Eisenhower. The Theme and Focus of this conference was "to promote opportunities for children and youth to realize their full potential for a creative life in freedom and dignity." Among the many recommendations were:

"Family Life Courses, including preparation for marriage and parenthood, be instituted as an integral and major part of public education from elementary school through high school."

Special educational services requested included remedial reading classes, speech therapists, a strengthening of the Office of Education staff and facilities sufficient to stimulate "the development of complete programs for gifted children and youth (that) provide for . . . broader and more sensitive tools for identification, including means of uncovering latent talents in handicapped, culturally deprived, and emotionally disturbed children."

Now let us consider and concentrate on Pupil Personal Services. In this field the recommendations were that the Services should be adequately staffed with professional personnel in the areas of attendance, guidance, health, psychological, and social work. Each community should "reevaluate its school health services in the light of specific needs for improved instruction in health education, including nutrition, child development, and physical education with more teaching and counselling; continuity of preschool and school dental and medical examinations; and sufficient numbers of school health personnel to identify and diagnose health needs."

"Guidance and counselling programs (should) be strengthened, expanded and coordinated at all levels . . " They should "begin in the elementary school with educational and vocational planning based on early, continuous and expanded testing and diagnostic appraisal of each child . . ; and every secondary school should have sufficient trained professional counsellors to deal with adolescent problems."

"More adequate psychological and psychiatric services (should) be provided for all school-age youth in a ratio of one specialist to 2,000 pupils."

Careful studying and breakdown of these findings should help today's youth find a creative life. It would appear to me that society has forgotten that youth should have a childhood in which he matures, mentally, as he grows, physically, as physical growth and mental development should go hand in hand. One of the statements of the conference was to the effect . . . "that counselling should start in the elementary grades and continue as needed by the student" could be the crux of many of the student's problems. I do not wish to draw any conclusions or make any decisions on these recommendations of The White House Conferences but to leave that opportunity to each of you as parents, taxpayers and citizens of our town.

At this time I would like to include some of the school health screening work that has been accomplished. I feel that this information might possibly be excluded from the report this year due to the extreme importance that should be placed upon the findings of the White House Conference. It is possible that the following information may have some bearing upon the decision you may make, either verbal or mental, in the promotion of opportunities for children to realize their full potential.

During the school year of 1959-60 the following procedures were completed.

Physical examinations	321
Physical Defects	54
Heights and Weights	736
Individual Health Conferences	2,371
Vision Screening	289
Audiometer Testing	660
Dental Correction (Clinic)	30
Sight Conservation (Glasses)	30
Vitamin Program	140
Tuberculosis Patch Test	289
Chest X-rays	67
Pre-school Testing	36
Home Contacts	315
Professional Contacts	59
Accident Insurance (Insured)	457

Flu Vaccine	18
Polio Vaccine	403
Polio Vaccine (Adult Clinic)	272

With the closing of the year 1960, I wish to express my appreciation to all the parents, teachers, and organizations who have concerned themselves with the health and well-being of our children.

Again, may I say, thank you for your cooperation throughout the year and leave you with this thought:

"Health is Wealth—Build it with Care."

Respectfully submitted,

GLADYS NEWHALL, R.N.

Health Educator B.S., EdM.

PETERBOROUGH HYMN

A. D. 1620

God our Father!
Glory Lord, to Thee!
Before whose voice
Is mute the thund'ring sea!
Through wind and foam
Thou lead'st us home—
To Thee be glory through eternity.

Lord, hunger and cold are nigh!
Lord, not for ourselves we cry—
Let not our children die!
Silence your loud alarms
God is our Shield from harms—
He will make strong our arms.
Christ, who hath calmed the wave,
Christ will uphold the brave.
Christ, our Saviour!
Father of our Faith!
To Thee we bring faint hearts and failing breath,
Be Thou our Guide!
With Thee we bide,
To love, to labor, and to hope till death!

EDWARD MACDOWELL
